Name: Restaurant A

Address: [from API]

Neighborhood: [from API]

Understanding Inspections

Routine Inspection = general unannounced inspection of a food establishment. It checks for compliance with food safety regulations.

[Link to official city food inspection guidance]

Proposed optional feature

INSPECTION HISTORY

Inspection ID	Action date	Type / subtype	Source action status
[Source ID 1]	MM/DD/YYYY	Routine / ...	[Status from API]
[Source ID 2]	MM/DD/YYYY	Follow-up / ...	[Status from API]

SELECTED INSPECTION — VIOLATIONS SUMMARY

[Violationcode] [Violation status / description / comments]

If no violation details exist, show an informative empty state.

Community Pulse

Help us understand what information about inspections would be most helpful to you.

What inspection information would you most like help understanding?

- ○ Inspection planning
- ○ Inspection frequency
- ○ Inspection types
- ○ Violation severity
